Signoraware took the first steps of its long journey with the foundation of Signora Appliances in the year 1981. The only dream of the organisation was to make quality and affordable Kitchenware and Appliances for the Indian masses. After four decades, Signoraware is now an industry leader with innovative product ranges in Kitchen Appliances, Serveware, Tableware, Bakeware, Lunch & Outdoor range, Crockery, and Food Storage solutions. The brand runs under the umbrella of M/s Techno Plastic Industries, Signora Group of Companies.

The mantra that has sustained the growth of Signoraware over four decades is its constant evolution with time. All our products are manufactured using tirelessly updated state-of-the-art technology and highly sophisticated machinery. We use superior quality and Food Grade European raw materials in making all our products. We have always laid utmost importance on providing high-quality, durable, and user-friendly designs at affordable prices to our consumers.

Signoraware boasts of a complete kitchen range encompassing over 350 BPA Free Virgin Plastic products, around 360 Stainless Steel products, 80 plus Borosilicate Glass products, and over 40 Pure Copper Products. Signoraware is a national favourite brand in its category and is rapidly expanding its wings globally. It has withstood the challenges posed by home-grown as well as international brands and has retained its standing not just within the country but beyond too, gaining huge popularity around the globe. Other than B2C, Signoraware also has tie-ups with multiple corporate clients.

Signoraware Group has vast experience in the category of Kitchen Appliances as well. Signora Appliances was founded by Shri Y.K. Bansal, an electrical engineer who decided to follow his passion. Signora Appliances has been manufacturing and marketing Food Processors, Mixer Grinders, Juicers, Microwave Ovens, Choppers, Toasters, Steam Irons, Ceiling Fans, Heat Pillars, Induction Cookers, RO Systems, etc.
